Make & Take WORKSHOPS

Preschool Busy Bags

Friday, June 9 | 10:00-11:00am

Crystal Wieland | Cost: \$15

Busy bags are a fun way to keep preschoolers engaged in creative learning play. Come learn about using and creating busy bags with components that may be reconfigured to create unique ways to learn and play. You will leave with 5 busy bags and ideas on a variety of methods to use them.

Personalized Journals

Friday, June 9 | 3:30-4:30pm

Lori Heschke | Cost: \$15

Together, we'll be personalizing journal covers with flower-embellished monograms using watercolor pencils and pens. Compiled over time as a keepsake or given as a gift, this unlined journal is designed to be filled with hand-lettered verses, nature-inspired sketches, and/or mixed media collage - whatever cultivates wonder and attentiveness for you. All skill levels are welcome; you will be guided through the process and can make your journal as intricate or simple as you desire.

Welcome Home Sign

Saturday, June 10 | 8:00-9:00am

Mandy Berkley | Cost: \$10

In this workshop, you will stain/paint your base sign and frame, choose a "Welcome Home" stencil, trace out your design, and paint it, completing the project by assembling your sign with an air nail gun.

No experience needed. A variety of "welcome home" sayings/styles will be available to choose from.

You will walk away with an adorable 9'x12' sign that can be hung on a wall or used as a shelf sitter.

(See sample below.)

Sourdough Bread

Saturday, June 10 | 3:00-4:00pm

Donna Owen | Cost: \$10

Come and learn to make beautiful, nourishing sourdough bread. Return home with a starter, notes, and encouragement! "Breadmaking cultivates both patience and expectation, a tension that requires us to slow down and pay attention. The bubbles.

The rise. The folds. Each stage invites us to pause, to notice, to listen." ~ Bethany Douglass
